

## SALES PRICE LIST 2024

For Feinwerkbau sporting guns and accessories

---

Valid from 01.04.2024

# THE PRODUCT CONFIGURATOR FROM FEINWERKBAU

You can now use our product configurator for some of our models. This gives you a quick overview of all available options and you can easily compose the desired order number.

## IT'S AS SIMPLE AS THAT:

- ✔ Choose your favorite from all available options.
- ✔ Complete the article number of your desired model step by step.
- ✔ Consider the additional or reduced prices of your chosen option.
- ✔ Order your sports gun with the complete order number.

## The following options are available for selection - depending on the desired model:

### SYSTEM VARIANT

Here you can decide on which side the cocking lever of your desired model is mounted. Our tip: For convenient reloading, benchrest shooters can order a left-hand system in the right-hand stock. You can also select a lighter aluminum barrel sleeve for some models. This option reduces the overall weight of the rifle by ~ 350 grams.

### COLOR

You can choose from our standard silver or black colors and 13 custom colors for an additional charge. You can also choose a shortened buttstock for some models.

### NUMBER OF BUTTSTOCKS

With the 2800 Alu X-Change model, you can define the number of buttstocks (including grip, cheek piece and butt plate) you require here.

### VERSION

For the P 8X and P 85 models, this option allows you to choose whether you want a freehand pistol or whether you want to order the benchrest fork for benchrest shooting straight from the factory.

### GRIP/ATTACHMENTS

Here you can select your desired grip size and whether you want grip and cheek piece made of beech wood with black grip lacquer and the hand rest made of Aluminum (series) or in the version with grid structure „MeshPro“. Furthermore, for the 900 Alu benchrest model, you can choose whether you want the grip bar (art. no. 3.2.226.580) in addition to the beech wood support bar for even more comfortable positioning of the support hand.

### SIGHTS

Choose between the Feinwerkbau standard sights or the Centra „SPY“ diopter (or „SPY BR“ in the benchrest version) and the „Centra Score“ front sight tunnel (or „Centra Score Plus“ in the benchrest version) or order your model without sights.

### BARREL LENGTH

We offer our P 8X and P 85 air pistols with two different barrel lengths. Here you can choose whether you want the standard barrel length or the shortened version.

### ANZAHL MAGAZINE

With the P 85 model, the number of additional 5-round or 1-round/training magazines can be chosen.

## The product configurator is available for the following models:

- 900 ALU
- 900 W
- 900 ALU - BENCHREST
- 900 W - BENCHREST

## MODEL 800 X

Compressed air rifle model 800 X (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (max. filling pressure 200 bar) | filling adapter | drain screw | double set aluminum stock with adjustable cheek piece 200 bar) | filling adapter | drain screw | double-lockable aluminum stock with adjustable cheek piece and adjustable X-line butt plate | hand rest can be swiveled and adjusted in height | delivered in a lockable transport case with combination lock [Total weight approx. 4.8 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.220	Compressed air rifle, Model 800 X, alu stock, right, black/silver, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.221	Compressed air rifle, Model 800 X, alu stock, left, black/silver, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.222	Compressed air rifle, Model 800 X, alu stock, right, black/silver, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.223	Compressed air rifle, Model 800 X, alu stock, left, black/silver, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.224	Compressed air rifle, Model 800 X, alu stock, right, black/silver, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.225	Compressed air rifle, Model 800 X, alu stock, left, black/silver, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.232	Compressed air rifle, Model 800 X, alu stock, right, laminated wood red, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.233	Compressed air rifle, Model 800 X, alu stock, left, laminated wood red, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.234	Compressed air rifle, Model 800 X, alu stock, right, laminated wood red, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.235	Compressed air rifle, Model 800 X, alu stock, left, laminated wood red, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.236	Compressed air rifle, Model 800 X, alu stock, right, laminated wood red, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.237	Compressed air rifle, Model 800 X, alu stock, left, laminated wood red, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00

## MODEL 800 W

Compressed air rifle model 800 W (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | stock made of walnut wood or orange laminated wood with adjustable cheek piece and adjustable X-line butt plate | hand rest can be swiveled and adjusted in height | delivered in a lockable transport case with combination lock  
[Total weight approx. 4.3 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.302	Compressed air rifle, Model 800 W, wooden stock, walnut, right, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.303	Compressed air rifle, Model 800 W, wooden stock, walnut, left, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.304	Compressed air rifle, Model 800 W, wooden stock, walnut, right, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.305	Compressed air rifle, Model 800 W, wooden stock, walnut, left, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.306	Compressed air rifle, Model 800 W, wooden stock, walnut, right, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.307	Compressed air rifle, Model 800 W, wooden stock, walnut, left, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.340	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, right, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.341	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, left, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.342	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, right, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.343	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, left, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.344	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, right, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.345	Compressed air rifle, Model 800 W, wooden stock, grip lacquer black, left, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.334	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, right, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.335	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, left, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.336	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, right, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.337	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, left, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.338	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, right, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00
3.2.339	Compressed air rifle, Model 800 W, stock made of laminated wood, orange, left, grip size L, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.675,00

## MODEL 800 ALU

Compressed air rifle model 800 Alu (cal. 4.5 mm/.177, E < 7.5 Joule) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (max. filling pressure 200 bar) | filling adapter | drain screw | aluminum stock with adjustable cheek piece and adjustable Comfort-line butt plate | hand rest can be swiveled and adjusted in height | delivered in a lockable transport case with combination lock [Total weight approx. 4.6 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.238	Compressed air rifle, Model 800 Alu, alu stock, black, right, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.239	Compressed air rifle, Model 800 Alu, alu stock, black, left, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.240	Compressed air rifle, Model 800 Alu, alu stock, black, right, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.241	Compressed air rifle, Model 800 Alu, alu stock, black, left, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.242	Compressed air rifle, Model 800 Alu, alu stock, black, right, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.243	Compressed air rifle, Model 800 Alu, alu stock, black, left, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.250	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, right, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.251	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, left, grip size M, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.252	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, right, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.253	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, left, grip size S, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.254	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, right, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00
3.2.255	Compressed air rifle, Model 800 Alu, alu stock, laminated wood red, left, grip size L, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.285,00

## MODEL 800 UNIVERSAL

Compressed air rifle model 800 Universal (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | laminated wood stock with height-adjustable cheek piece and adjustable Comfort-line butt plate | supplied in a lockable transport case with combination lock [Total weight approx. 4.6 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.256	Compressed air rifle, Model 800 Universal, laminated wood nature, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.257	Compressed air rifle, Model 800 Universal, laminated wood nature, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.285	Compressed air rifle, Model 800 Universal, laminated wood blue/dark grey, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.286	Compressed air rifle, Model 800 Universal, laminated wood blue/dark grey, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.287	Compressed air rifle, Model 800 Universal, laminated wood orange, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.288	Compressed air rifle, Model 800 Universal, laminated wood orange, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.289	Compressed air rifle, Model 800 Universal, laminated wood pink, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.290	Compressed air rifle, Model 800 Universal, laminated wood pink, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00

## CONTINUATION MODEL 800 UNIVERSAL

Item no.	Article description	RRP in EURO incl. VAT
3.2.291	Compressed air rifle, Model 800 Universal, laminated wood green, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.292	Compressed air rifle, Model 800 Universal, laminated wood green, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.293	Compressed air rifle, Model 800 Universal, laminated wood light grey/blue, right, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00
3.2.294	Compressed air rifle, Model 800 Universal, laminated wood light grey/blue, left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.425,00

## MODEL 800 EVOLUTION TOP

Compressed air rifle model 800 Evolution Top (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | barrel jacket made of aluminum | match rear sight (swivel, 20 click) | including Vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | aluminum stock with adjustable cheek piece and adjustable Comfort-line butt plate | adjustable hand rest | delivered in a lockable transport case with combination lock [Total weight approx. 3.8 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.368	Compressed air rifle, Model 800 Evolution Top, black, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.585,00
3.2.369	Compressed air rifle, Model 800 Evolution Top, blue, cal. 4,5 mm/.177, [E < 7,5 Joule], incl. transport case with combination lock	2.585,00
3.2.370	Compressed air rifle, Model 800 Evolution Top, nature, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.585,00

## MODEL 800 EVOLUTION

Compressed air rifle model 800 Evolution (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | barrel jacket made of aluminum | match rear sight (swiveling, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | aluminum stock with height-adjustable plastic cheek piece and Eco-line butt plate | delivered in a lockable transport case with combination lock [Total weight approx. 3.4 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.366	Compressed air rifle, Model 800 Evolution, black, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.199,00
3.2.367	Compressed air rifle, Model 800 Evolution, blue, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.199,00

## MODEL 800 JUNIOR

Compressed air rifle model 800 Junior (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | barrel jacket made of aluminum | match rear sight (swiveling, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | laminated wood stock with height-adjustable cheek piece and Eco-line butt plate | delivered in a lockable transport case with combination lock [Total weight approx. 3.5 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.261	Compressed air rifle, Model 800 Junior, laminated wood red/white, ambidextrous, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	1.999,00
3.2.268	Compressed air rifle, Model 800 Junior, laminated wood blue/dark grey, ambidextrous, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	1.999,00

## MODEL 800 BASIC

Compressed air rifle model 800 Basic (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | beech wood stock with height-adjustable plastic cheek piece and Eco-line butt plate | supplied in a lockable transport case with combination lock [Total weight approx. 3.9 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.258	Compressed air rifle, Model 800 Basic, with stock right/left, cal. 4.5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	1.925,00

## MODEL 800 X - BENCHREST

Compressed air rifle model 800 X edition (cal. 4.5 mm/.177, E < 7.5 Joule) | with internal absorber | match rear sight (swiveling, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | double-lockable aluminum stock with adjustable and raised cheek piece and adjustable X-line butt plate | infinitely tiltable beechwood support rail | delivered in a lockable transport case with combination lock  
[Total weight approx. 5.0 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.226	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size M, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.227	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size M, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.228	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size S, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.229	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size S, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.230	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size L, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.231	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size L, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	3.899,00
3.2.310	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size M, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00
3.2.311	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size M, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00
3.2.312	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size S, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00
3.2.313	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size S, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00
3.2.314	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size L, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00
3.2.315	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size L, cal. 4.5 mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	3.899,00

## MODEL 800 W - BENCHREST

Compressed air rifle model 800 W edition (cal. 4.5 mm/.177, E < 7.5 Joule) | with internal absorber | match rear sight (swiveling, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | stock made of walnut wood or orange laminated wood with adjustable and raised cheek piece and adjustable X-line butt plate | infinitely adjustable beech wood support rail | supplied in a lockable transport case with combination lock [Total weight approx. 5.2 kg]

Item no.	Article description	RRP in EURO incl. VAT
3.2.350	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, right, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.899,00
3.2.351	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, left, grip size M, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.899,00
3.2.352	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, right, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.899,00
3.2.353	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, left, grip size S, cal. 4,5 mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.899,00
